NICHOLS MEMORIAL LIBRARY REPORT

1983

The librarian reports that the total number of volumes in the library at the end of 1983 is 9,709. The number of acquisitions during the past year of 616 volumes include new purchases and books donated by patrons. The circulation of all materials in 1983 totaled 5,493.

The back hallway and the stairwell to the basement were replastered and painted. Additional work was done on the outside masonry, as moisture was seeping in behind the plaster. The costs exceeded our budgeted funds but were covered by contingency funds.

Because of lower interest rates our income from Trust Funds was not as high as estimated in 1983, and is expected to continue to be lower in 1984.

We are proposing a modest increase in the hourly wages for our librarian and assistant, and a similar increase in the fees paid our custodian. We have made no change in their pay since 1980, despite the inflation during this period.

Memorial gifts for the purchase of books in memory of David Crandall have been received to a total of more than \$700. We are very grateful for these gifts, and the money has been added to the regular book budget.

There have been some personnel changes. John Desmond has resigned as a Trustee after five years of faithful service. Catherine Campbell was appointed by the Nichols Memorial Library Association to take his place. Gregory Garrick has also resigned as Treasurer, and Richard Cabell has assumed his duties.

The Trustees meet at 7:30 P.M. on the third Wednesday of each month. We invite any interested citizens to join us at that time. Your Trustees are always open to your suggestions and recommendations.

We look forward to continued service to the community during 1984.

REPORT TO THE TOWNS

INTER-LAKES DAY CARE CENTER AND NURSERY SCHOOL

During 1983 the Inter-Lakes Day Care Center served 125 children from 103 Lakes Region families. As a private, nonprofit agency governed by a volunteer Board of Directors, the Center operates a preschool program with a full range of services including education, special needs, health care, vision and hearing screening, dental care, nutrition, and parenting. As a participant in the N.H. Child Care Food Program sponsored by USDA, nutritious hot lunches, breakfasts, and two snacks are served daily. Our school is open on a year-round basis from 6:30 a.m. to 5:30 p.m., making it possible for the parents of 105 children to maintain employment.

The primary concern of the Inter-Lakes Day Care Center is to provide a home-like, educational environment for children of working parents. Through our Nursery School program, open to children of non-working parents, and our before and after-school "Seven-Upper" Program we provide for the social, emotional, physical, and educational development of all ages.

A fairly new program we sponsor is a network of licensed Family Day Care Homes receiving federal reimbursement from USDA by serving nutritious meals and snacks while providing care for children of working parents in their homes. At the present time we have six homes under this program.

The total budget of the Inter-Lakes Day Care Center for 1984 is \$96,587.00. Of this we will be receiving in tuition paid by parents \$47,237.00, \$5,000.00 from N.H. Child Care Food Program (USDA), \$1,000.00 from N.H. Child Care Food Program (USDA) for sponsorship of Family Day Care Homes, and \$1,950.00 from CETA. This also includes the following: \$41,000.00 of which \$27,000.00 is Title XX and \$14,400.00 which must be raised in local funding. The money we receive from the towns that we serve is matched three times by the federal government.

Area residents are cordially welcome to visit the Inter-Lakes Day Care Center and Nursery School at 11 Lang Street in Meredith.

CENTRE HARBOR PLANNING BOARD

ANNUAL REPORT

The 1983 efforts of the Board continued at about the same level of activity as the prior year. The number of subdivisions requested and the number of building permits reviewed remained at a similar number to those proposed in 1982.

The Board has been pleased to participate in the development of the new¹ acquired town land at the junction of Route 25B and Route 3. The planning for this area should lead to a fine, new recreation area for the town as well as excellent facilities for the town highway maintenance equipment.

There has been close cooperation with the town Conservation Committee when a request has involved wetlands or lakefront property.

The major effort of the year has centered on the completion of the Town Plan. The effort included all members of the Planning Board and many citizens who put great effort into the committee work from which the plan was developed. Special thanks for this extraordinary effort are due to the Lakes Region Planning Commission, who guided the Board's work and to William Taylor, who acted as leader to the whole effort as Chairman and later as Vice Chairman of the Board.

It is hoped that the Town will receive the report at the Town Meeting and then participate in the Public Meetings to be held concerning the content of the report.

Much hard work has been expended by the members of the Board and they are to be commended for their efforts on behalf of the community. The work of the committee could hardly be carried on without the fine and timely work of our secretary, Joan Taylor. Her work is greatly appreciated.

JULIAN M. SHLAGER
Chairman

Families Served:

Lakes Region Family Service experienced a large increase in numbers of families served in 1982 as compared with 1981. Six hundred and twenty-eight families were served by the agency in 1982, as compared with four hundred and fifty-eight in 1981. Thus, 1982 saw a continued trend of growth for the agency. (We had experienced a twenty-two percent increase in numbers served in 1981 over 1980.)

The thirty-seven percent increase in numbers served by the agency in 1982 was due largely to the addition of a new program of services for violent families in November 1981. A second cause of growth was the agency's increased attention to serving families who experienced problems with children and adolescents.

Our agency responded to increased requests for service by expanding our staff in the area of domestic violence; the position of domestic violence coordinator was increased from half-time to full-time in November 1982. In our counseling program, staff was expanded in 1982 by adding one half-time Master's degree social worker. This enabled us to designate one counselor to work primarily with violent families in marital, family and individual counseling.

Centre Harbor Families Served:

1980	3
1981	5
1982	7
1983 (Jan. through Oct. 1983)	12

Clients pay for services on a sliding scale basis and no one is refused services because of inability to pay. Centre Harbor residents can be seen in Laconia or at our one-day a week satellite office in the Meredith Congregational Church.

Counseling Program:

In our counseling program, couples, families, and individuals are seen by experienced Master's degree counselors. A consulting psychiatrist consults with staff and meets with clients who are staff-referred. We work with as many family members as are available to us and our therapeutic efforts often involve coordination with schools and other service providers.

Domestic Violence Program:

Our domestic violence program includes the following services: a 24-hour crisis line, transportation, advocacy, shelter in host homes, professional counseling, a support group for abused women, and community education. The agency coordinates a volunteer task force to assist us in providing emergency services.

In 1984, we are planning to offer a therapeutic group for men who batter. We are aware that a great deal of time and energy will be required in order for us to recruit men to attend this group; however, we feel it is crucial to offer this service in order to be effective in assisting the violent family.

We must rely on towns to help fund domestic violence services for their residents. The agency will continue to receive HUD funds from the City of Laconia through December 1984, but these funds are restricted and must be used to serve violent Laconia families. There is no charge for emergency services for abused women.

Groups and Workshops:

In 1983 we have continued to offer workshops to assist divorcing families. The agency sponsors "Growing Through Divorce", a seven-week workshop for adults, and "How to Survive Your Parents' Divorce", a four-week workshop for children ages 8-12.

Lakes Region Family Service Association also provides two ongoing support/therapy groups for women in addition to the support group for abused women. In 1983 we began a therapy group for adolescents and a second adolescent group will begin in November 1983.

REPORT OF CENTRE HARBOR FIRE DEPARTMENT

1983

The Centre Harbor Fire Department finished the year 1983 answering a total of 131 alarms. Of this number 57 were calls for medical aid. From this figure it can be easily seen that the public relies on the fire department to do far more than put out fires. Fortunately we have trained Medical Emergency personnel, EMTs and First Responders who will respond any time they are needed. We are also fortunate to have a fine working relationship with our near neighbors in Moultonboro Fire Department who also respond to calls for help in the Centre Harbor area.

At the present time plans are in the works for a FAST Squad. That is a first aid stablization team which will hopefully be made up of EMTs, First Responders and Advanced First Aid people. Some of these individuals may not be members of the fire department. Look for more on this in the local newspaper as further plans develop.

The success of any fire department or rescue squad depends not only on trained personnel and good equipment but also on a general public which knows how and when to report an emergency. Remember if you think you need help, you probably need it right now. Have the emergency number 524-1545 posted by your phone and don't hesitate to use it. A quick call and a quick response to any emergency can save a lot of grief and a lot of property. We of the fire department can only be of service to you if you call the moment you realize that you need help.

At this point the Centre Harbor Fire Department also wants to acknowledge the invaluable aid rendered by the fire departments from Meredith, Holderness, and Ashland who cover on a first run basis the west side of our town. Our loaded tankers face a formidable obstacle in climbing Route 25B. However, the area of Route 3 and beyond is served quite well by our assigned Mutual Aid neighbors. Here it might be well to mention that we hope any plans for a Town garage off Route 3 will also include plans for housing some fire apparatus to better serve the residents of the west side of town.

Every six months or so fire department pumps must go through what is known as a service test. This test involves throwing certain high volumes of water for designated periods of time. To make a long story shorter, our principal attack pumper, Engine #3, failed the service test. After much consultation we were compelled to have the pump on Engine #3 completely rebuilt in order to put it back in A-1 operating condition. Since our local fire insurance rates are set by what our pumpers can deliver, we had this costly repair done immediately. We really had no alternative. At this moment we are back on line, all engines performing as required by insurance company regulations.

In closing this report your fire department would like to congratulate its townspeople for practicing good fire prevention, since we know that most of you are burning wood and the fire risk is ever present. Please don't hesitate to call when you need us. We exist for one reason only, and that is to protect life and property in the Town of Centre Harbor.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Forest Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to a safe level between 2:00 p.m. and 5:00 p.m. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

PARKS AND RECREATION DEPARTMENT

Co-ed Volleyball kicks off the new year as the most popular indoor adult activity. These games are scheduled every Thursday at Inter-Lakes Elementary School and every Sunday at Inter-Lakes High School from 7 to 9 P.M. Adult Volleyball continues through the spring, fall and winter months according to this schedule. Participation each night is approximately 30 people.

The Parks and Recreation committee sponsored a skating party during the month of February at the town rink. Refreshments were served, and close to 20 townsfolk took part. A very successful double elimination Volleyball Tournament took place February 13th at the Inter-Lakes High School gym. Teams from Plymouth, Laconia, Wiers Beach, Meredith and Centre Harbor competed with a total of 69 players.

The town Easter Party, April 2nd, drew 70 youngsters from the area who had fun diving in an Easter egg nest and participating in games, contests, egg relays, water balloon toss, and an egg hunt.

The rain and drizzle did not prevent the Memorial Day Parade from taking place, and spirits were elevated by the strains from the Inter-Lakes Junior High School Band. Memorial flags and ribbons for the most patriotic decorated bikes were handed out.

Lifeguards were on duty at the Town Beach a week after school let out in June, and remained until Labor Day Weekend. Thirty-seven children participated in the Red Cross Swimming Program, and 20 youngsters attended the Mother-Tot and Toddler Swimming Programs during the summer.

Our full Summer program began with the Fourth of July Footrace, Parade and Fireworks at dusk. The annual Footrace drew 248 men, women and children who competed in 2-mile, 5-mile and children's races. The 1983 Independence Day Parade was composed of representatives from Veterans groups, the Kanasatka 4-H, the Boy Scouts, Cottontail College, decorated floats, vintage cars, and the Centre Harbor and Moultonboro Fire Departments. Awards were given to the most original, most patriotic and most energy-conscious float. The theme for this year's parade was "Wise use of our natural resources." Ribbons were awarded for best decorated bikes and walking entries. The fireworks were most spectacular this year since the firemen fired them off at close proximity on the town docks area.

The Parks and Recreation Summer Program began the week of July 4th and continued for eight weeks. Aerobics classes were offered every Monday, Wednesday and Friday mornings at 8:00 A.M. on the town beach. Foot and bike hikes took place every Monday with destinations at Red Hill, Mr. Morgan, Rattlesnake, Black Cat Island, Squam Lake and High Haith. Approximately 8-10 children participated at each hike. Tennis classes for elementary and junior high age children took place on the Moultonboro courts, with an average participation of 10. These classes were conducted every Wednesday and Friday. Frisbee Golf was a popular sport for children every Thursday afternoon, and Friday was Arts and Crafts day for pre-school and elementary school age children, with approximate attendance of 18. Adult Volleyball switches to Friday evenings at the town beach during the summer months, and approximately 24 adults turn out. Two full length Walt Disney films were shown during the summer months, and enjoyed by the town's children.

In addition to the regularly scheduled events, two field days enabled our youngsters to meet and compete with kids their own age from surrounding towns and throughout the state. The Hershey Track Meet in Concord, and the "Pa" Smith Field Day in Meredith were day-long events that brought a lot of fun and excitement. A Parks and Recreation Carnival has held August 20th, complete with artisans and craftsmen, races, music, face painting, games, arts and crafts, pony rides and a dunking booth. A community beach party on August 28th capped off our summer events.

The Frosty Pumpkin Volleyball Tournament, on October 23rd, drew 42 participants and ended in a climactic battle between the Centre Harbor and Plymouth teams. There was also action on the gridiron at Prescott Park when September Saturdays brought out the Flag Football fanatics. Halloween night lured 100 ghosts and goblins to the fire station for an evening of ghoulish delights. Appreciation goes out to the Kanasatka 4-H Club for their spooky haunted house.

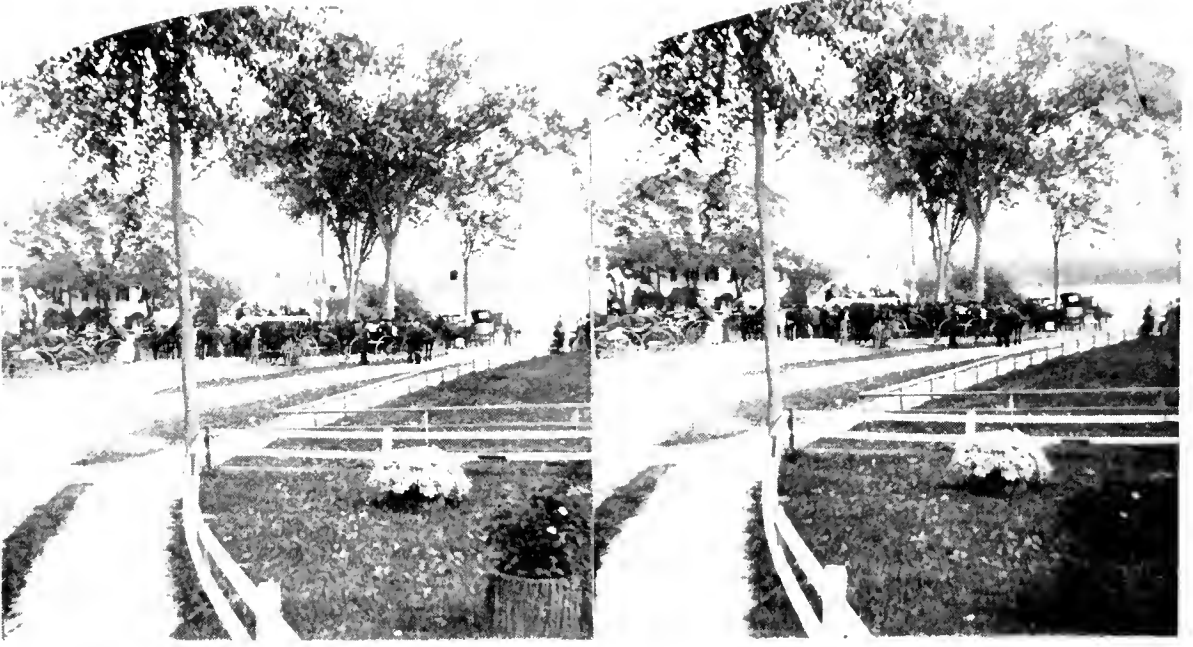

On December 17th, our last activity of the year, a Christmas and tree-lighting party was held at the Cary Mead Room. Twelve of Santa's elves busied themselves making ornaments for their trees, and then retreated outside for the tree-lighting and Christmas carolling. More folks joined us later for hot chocolate and cookies.

We would like to thank the Centre Harbor Woman's Club for their generous donations to the Parks and Recreation Department, and a special thank-you to the residents of our community who have offered their support and enthusiasm for our recreation programs.

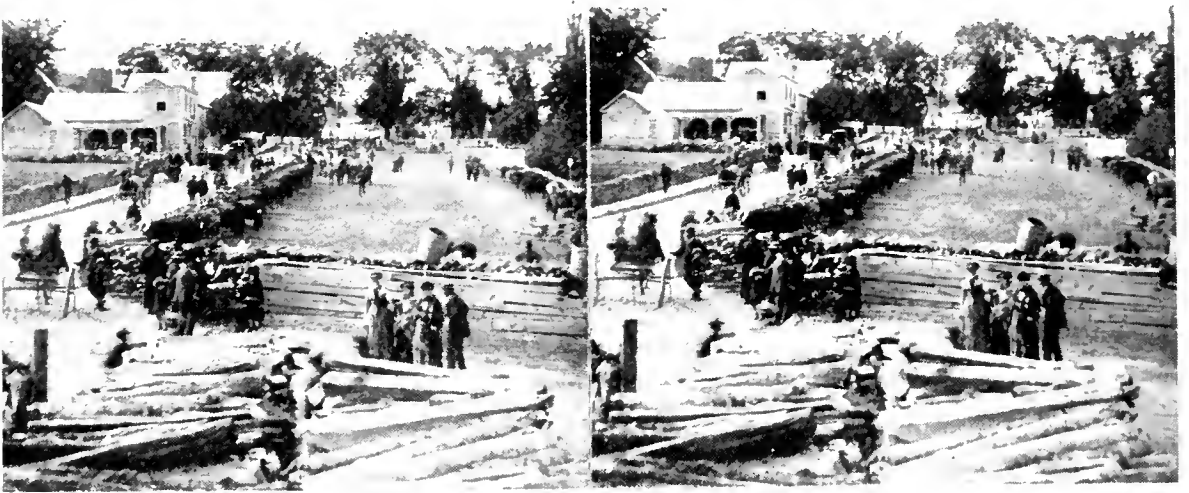

Members of the Parks and Recreation Department are Ingrid Smith, Eloise Coudert and Bart Coudert.

Respectfully submitted,

ELOISE COUDERT

REPORT OF TOWN HISTORIAN

TOWN FAIR HELD ONE HUNDRED YEARS AGO

Superintendent F. C. Grantham was on hand to look after matters and to extend a hearty welcome to strangers especially, and to take good care to see that nothing was lacking during the day. Among the exhibitors of stock, which was regarded as being superior to that of last year, were J. H. Cook, J. C. Sturtevant and Son of Sandwich, Gilman Webster of Meredith, S. H. Philbrook of Moultonboro and R. L. Coe of Centre Harbor. Mrs. Eliza Sutton and Mrs. Jennie Graves of Centre Harbor also made commendable exhibits in that line, especially in Cotswold sheep. We make mention of these simply as being among the leading exhibits, but nevertheless, there were entries worthy of special notice.

In Independence Hall were to be seen the exhibits of fruit, cereals, vegetables, etc.; also the works of art, specimens of female handiwork, ancient relics, curiosities and the miscellaneous department. The show of fruit was especially fine and thought by many to be fully equal to that of the County Fair. The line embraced in the vegetable kingdom was also simply immense. There were also excellent exhibits of cereals.

The contributions in the ladies' department were extensive and included many articles of merit. We give a brief summary as follows:

Centre Harbor - Elegant paintings in water colors, Mrs. Lizzie Butterfield; oil paintings, Miss Carrie Kelsea; child's dress 143 years old, Mrs. B. F. Wentworth; tea caddy 150 years old, Mrs. J. C. Lock; needle work, Mrs. Eliza Sutton; samples of fancy butter making from the dairy of Mrs. Thomas F. Grantham. Mrs. E. E. Blake and Mrs. H. C. Sturtevant composed the committee in charge of the department.

Moultonboro - Residents make a credible display of needlework, curiosities and relics of "Ye Old Time", all in charge of Mrs. Sarah Greene.

At noon a free dinner was prepared for the occasion, dispensed at the hand of the numerous "wives and daughters, fair".

The main feature of the exercises were conducted in Independence Hall. Speech making was in order, and the meeting was in charge of the President R. L. Coe. Several spoke, some in glowing terms, to the introduction of labor-saving agricultural improvements contrasting strikingly the way of doing farm work. Laconia and Moultonboro were represented by a number of prominent citizens.

The officers of the day were President, R. L. Coe; Treasurer, D. W. Coe of Centre Harbor; Secretary, Charles M. Mead of Meredith; Superintendent, Thomas T. Grantham.

Laconia Democrat - August 17, 1883.

Note: Independence Hall on Plymouth Street occupied the second floor of the building next to the property on the corner now owned by James and Helen Ferrante. The Hall was the center of community activities until the hall was

built by Garnet Hill Grange in 1916. Entertainment of various kinds was held in the hall, including plays, dances and meetings of groups and organizations. There was a store on the first floor. Records reveal that there were several different owners during the years. This building was enlarged and became the Garnet Inn Annex for Albert A. Bennett in 1922. Later it was Kahle House for Belknap College, and it is now owned by Centre Harbor Village Associates.

Report of the Executive Secretary of the
LAKES REGION ASSOCIATION

July 1, 1982 to June 30, 1983

The Lakes Region Association brought together five Chambers of Commerce in the Region for a Cooperative Advertising/Mailing Program. Under a formular system it was set up so that each of the Chambers could participate at whatever level it was within their reach, either financially or brochure wise. This program used \$9,150 of cooperative funds and requested a State Matching Grant of a like amount giving us \$18,300 for white space advertising and a total of \$28,560 for the entire program, including expenses of mailing literature directly to those interested parties. This program stimulated over 36,000 individual requests, a record amount at less than 42¢ each. This program is the envy of other areas, and is now being copied.

Spring, while we were servicing these inquiries, our Lakes Region Attractions group were not to be out-done. They, too, planned a television advertising program, raised \$12,000 of their own money and requested and obtained a matching grant for another \$12,000. This well-designed program was used in the Greater Boston/Providence area to encourage the day tripper, as well as the longer time vacationer. This was also most successful. They again published and distributed 610M of their brochure and worked hard to keep the public informed that this is an excellent location for a vacation or a seasonal or year round home area.

We continue to publish annually the Where To In The Lakes Region book; the Navigational Charts of several of our Lakes; guide new commercial property owners in management and promotion of their property; work with the many state agencies; and are active with the N. H. Travel Council, and N. H. Hospitality Association.

The Lakes Region Association seeks to preserve the quality of life we have here in our special part of New Hampshire. We want to maintain and preserve our natural resources, our lakes, our fields and forests, so that they can be enjoyed by not only those of us who live here, but also by those who visit our Region.

I have faith in our communities, their judgment and their ideals and know the Lakes Region Association will continue to work comfortably with our communities to mutual goals.
